

Cho Chikun's Encyclopedia of Life & Death

Part 2 — Intermediate

Motto

"It is a matter of life and death, a road either to safety or to ruin.

Hence it is a subject of inquiry which can on no account be neglected."

— Sun Tzu: *The Art of War*

Preface

This is a collection of almost three thousand problems from Encyclopedia of Life and Death by Cho Chikun. The problems come without solutions for two reasons: first, one can learn more by reading out all the paths and solving the problems oneself; second, the solutions are copyrighted. All the problems are **black to move**.

In the second part, you can find about nine hundred problems aimed at strong kyu players. A dan player should find the solution in less than a minute and will need about ten hours to solve the whole book.

I wish you enjoyment and improvement in the wonderful game of go, weiqi, baduk, or whatever you like to call it.

November 2004

Anniversary edition

It's been 13 and a half years. This booklet has been downloaded over thirty thousand times. I never imagined the reach it would have. The anniversary edition comes with a better layout and wording. And — glad you asked — some of the problems are still unsolvable!
