Igo Hatsuyo-ron

Motto

"It is a matter of life and death,
a road either to safety or to ruin.
Hence it is a subject of inquiry
which can on no account be neglected."
— Sun Tzu: The Art of War

Preface

The notoriously difficult Igo Hatsuyo-ron was compiled around 1710 by Inoue Dosetsu Inseki, fourth head of the Inoue house and fifth Meijin Godokoro. It was designed for training of the best students of the Inoue school and was kept secret for a long time.

Igo Hatsuyo-ron consists of 183 mostly insanely difficult problems and is aimed at serious players with deep interest in the game. While solving the problems takes many months, possibly even years, finding

the solution is always particularly reward-
ing.

I wish you enjoyment and improvement
in the wonderful game of go, weiqi, baduk,
or whatever you like to call it.

Anniversary edition

It's been 11 and a half years. This booklet
has been downloaded over twenty thousand
times. I never imagined the reach it would
have. The anniversary edition comes with
a better layout and wording. The problems
are still crazy hard!
